Letter from Virginia Lemmon  
To Mabel Hale Knapp

FROM THE FILES OF BERNARD ELDEN KNAPP

Salt Lake Utah  
Nov 26 1942

Dear Sister Knapp:

I'm so sorry I have been so long answering your letter. This is all the information I have, and I think most of the temple work has been done for them. I don't have any information on the baptism & Endowments dates which I would like very much so we don't duplicate. There hasn't been any of our names here in the temple for a long time, but hope we can get some.

I wish we could get together and have a family reunion, which I guess is impossible until after the war.

I'm enclosing 2 sheets would you please fill out, one for Willis Lemmon<sup>family</sup>, whom I guess is your grandfather & Anna Eliza Lemmon Knapp's family. Which would be greatly appreciated. Especially the temple work dates if you have them.

Thanking you & hoping to hear from you again soon

With love

Virginia Lemmon.

P.S. if you have any history of them which you think would be of interest to write on the back. I would love it. It's so nice to know your relatives.  
Come & see us.
